

Ismail BASSAOUD

Junior Fullstack Developer

ismail.bassaoud@gmail.com

07 69 23 87 83

Montpellier, Hérault, France

I am a young man of 26 years old, longing for knowledge in the field of web development. Graduated as a "Web & Mobile Web Developer", I am determined to put my knowledge and skills to the purpose of creating relevant, quality applications that bring a positive value to users. I am motivated by customer satisfaction, which drives me to constantly perform in this sense. Autonomous and persevering, I am ready to join your team.
